

The Mission of Christ the King Community Church (CTK) is to create an authentic Christian community that effectively reaches out to unchurched people, in love, acceptance and forgiveness, so that they may experience the joy of salvation and a purposeful life of discipleship.

The outreach opportunity below is about building relationships and expressing God’s care to those outside the CTK community. Sharing God’s story (evangelism) most likely happens after relationship is established and in response to the Holy Spirit’s leading.

| <b>Who are we serving?</b>   |
| Individuals who have experienced sexual assault or domestic violence, whether physical, emotional, psychological or sexual. The shelter also serves children who have been affected directly or as part of their family situation. DVSAS serves over 3,000 individuals each year with care, advocacy and shelter.  |
| <b>Who is helping connect us to their needs?</b>   |
| Domestic Violence and Sexual Assault Services is a county-wide, volunteer based organization that serves individuals of all ages affected by domestic violence and sexual assault. The agency provides client-centered, accessible services which promote empowerment, choice and safety. The organization is committed to the provision of a full spectrum of victim services in the community, including crisis intervention, shelter, medical and legal advocacy, support services and prevention, education and offenders treatment. The support groups offer a safe place to share your story, process your experience and find healing with others who understand what you’ve been through.  |
| <b>How are we serving?</b>   |
