

At CTK, we value authenticity, simplicity, empowerment, relationship, and caring about the community we live in. One key way we serve is by empowering small groups to make a difference through our local partners who address important issues for those in the hardest life circumstances. The opportunity below is a chance to tangibly demonstrate God's care, compassion, and love for those around us. As your church, we hope this makes it easy for you to put the Great Commandment to love your neighbor as yourself into action!

## DVSAS - INFORMATION DISTRIBUTION

<b>Who are we serving?</b>
Domestic Violence and Sexual Assault Services (DVSAS) serves all individuals affected by domestic or sexual violence throughout Whatcom County. Last year, they connected with over 2500 people through the different services and programs they offer.
<b>Who is helping connect us to their needs?</b>
DVSAS supports individuals affected by domestic violence, sexual assault, and sexual exploitation and leads the community towards ending these abuses of power. Twice a year, DVSAS distributes materials about the services we offer and how to get help if you need it to health care providers, civic services, schools, mental health professionals, and community spaces. This ensures that those businesses have the most up-to-date information to share with individuals in our community that may need help.
<b>How are we serving?</b>
We are looking for groups to deliver information to 20-25 businesses in designated their area. Areas will be determined by location and operating hours. Most drop-offs will take place Tuesday and Thursday between 9a-3p. Groups will meet at DVSAS Support Center in downtown Bellingham to pick up distribution materials. Groups will need a car for most areas, except for the downtown area. Distribution will take based on your best schedule, ideally between April 2 <sup>nd</sup> and April 13 <sup>th</sup> .
