

At CTK, we value authenticity, simplicity, empowerment, relationship, and caring about the community we live in. One key way we serve is by empowering small groups to make a difference through our local partners who address important issues for those in the hardest life circumstances. The opportunity below is a chance to tangibly demonstrate God's care, compassion, and love for those around us. As your church, we hope this makes it easy for you to put the Great Commandment to love your neighbor as yourself into action!

ENGEDI INTERCESSION NIGHT

Who are we serving?

Engedi Refuge provides a restorative program for women who have survived sexual exploitation, prostitution and trafficking. We serve them with dignity and compassion. We demonstrate the love of Christ as we teach them practical ways to overcome challenges and embrace healthy living.

Who is helping connect us to their needs?

Engedi Refuge provides both safe housing for ladies coming from often very dangerous sex trafficking situations, and a comprehensive program that helps them heal and restore their lives so they are prepared for healthy relationships and successful living. Engedi's program requires them to be at the Learning/Counseling Center for 30 plus hours per week. Our residents come every week day for classroom instruction, group discussions, clinical counseling and therapeutic activities. The Learning Center is designed to be a place of safety, peace, reflection and inspirational education. Our residents need God's intervention in their story and lots of prayer and encouragement to face very difficult internal struggles like addiction, depression, hopelessness and shame.

How are we serving?

We need your group to PRAY! Take the time you would normally meet for small group or Bible study and pray specifically for the Engedi residents. We can provide specific needs without revealing their names (keeping their identities confidential is extremely important in this ministry). As you pray, ask God to speak to you words of encouragement or scriptures that you can write down in a card and give to our residents. Perhaps the team could give a potted flower arrangement or something along with the card full of prayers, encouragements and scriptures which we can present to them at the safe-house. You can pray in your home or come to the Engedi Learning center and do a prayer walk around the property. Sometimes you get a greater sense of what God is doing when you're here.
