

At CTK, we value authenticity, simplicity, empowerment, relationship, and caring about the community we live in. One key way we serve is by empowering small groups to make a difference through our local partners who address important issues for those in the hardest life circumstances. The opportunity below is a chance to tangibly demonstrate God's care, compassion, and love for those around us. As your church, we hope this makes it easy for you to put the Great Commandment to love your neighbor as yourself into action!

## LYDIA PLACE - SHED CLEANOUT

<b>Who are we serving?</b>
Homeless families in Whatcom County
<b>Who is helping connect us to their needs?</b>
Lydia Place is working to disrupt the cycle of homelessness and promote sustained independence for current and future generations. Our vision is a compassionate community where everyone has a home and the opportunity to thrive. Lydia Place provides housing, support, and advocacy for clients, works to improve childhood outcomes for homeless children, and works to engage the community in joining our efforts to end homelessness.
<b>How are we serving?</b>
The Lydia Place business office also serves as the agency donation center. The storage shed is full to overflowing with clothes, housewares, and blankets. It would be so helpful to have donations sorted and delivered to other agencies. Volunteers will need to have an SUV or truck to haul donations within Bellingham.
<b>Who do you contact to commit to this opportunity and work out the details?</b>
